

August 1, 2017

Dear Colleagues,

It is with great pleasure that we invite you to attend the **2017 Pacific Islands Tuberculosis Controllers Association (PITCA) Conference** which will be held in Honolulu, Hawaii, from September 11–15, 2017.

This conference will bring together clinicians, nurses, outreach workers, laboratorians, public health officials, and partner agencies from the U.S.-affiliated Pacific Islands and across the Pacific to share their expertise and present their work in the prevention and control of tuberculosis, TB.

**Registration and detailed information on the venue and accommodations, and are available on the conference website:**

<http://centerfortuberculosis.mayo.edu/hawaii---tb-controllers-association.html>

This five-day conference will provide training and networking opportunities for TB professionals in the Pacific region. The conference is comprised of plenary sessions and breakout sessions. During the half-day breakout sessions, attendees will separate into four groups for TB trainings specific to their role:

- Clinicians
- Nurses and Outreach Workers
- Laboratorians
- Program Managers

If you have any questions, please contact Mayo Clinic Center for Tuberculosis at (855) 360-1466 or [tbcenter@mayo.edu](mailto:tbcenter@mayo.edu).

We all look forward to your attendance and participation at the 2017 PITCA Conference!

Respectfully,

Lisa Chen, MD  
Medical Director  
RTMCC Principal Investigator  
Curry International Tuberculosis Center

Zelalem Temesgen, MD  
Medical Director  
RTMCC Principal Investigator
