

## PATIENT SURVEY

The Baltimore City Health Department is currently treating you for Tuberculosis (TB), an airborne infection. Some individuals with TB are required to stay home or limit movement, or asked to take other precautions to prevent the spread of disease while infectious. We would like to ensure we are meeting your needs while you are being treated and have this short survey for you to complete. All responses are kept confidential and are used only to help create a personalized plan for you. Thank you for your time.
